

What is discussed in the Partner Migration information session?

Partner migration information sessions are held once each month, at the Australian Embassy Manila. These sessions are recommended for anyone intending to lodge a partner application within the following two months. The sessions cover topics including legislative requirements of partner visas, how to address your statement of relationship, evidence to include in your application, steps to lodging an application, average decision timeframes and also benefits of lodging a complete application.

Please note that these sessions are open to the public and therefore the sessions will not address personal questions relating to a particular application or applicant. We will, however, cover topics of interest and answer general processing questions. No individual assessment can be made during these sessions.

Schedule for the Partner Migration information sessions

The sessions are held from 2:30-3:30 in the afternoon. Schedule is as follows:
